

## ERCCIS Biological Recording Workshops and Field Trips 2012 Booking Form

Please indicate your choices by ticking the box besides each event on the booking form. Then complete your contact details below and return to us at ERCCIS with a cheque made payable to Cornwall Wildlife Trust. Once your place on the course is confirmed, a poster containing further information on timings, what to bring and information on where to meet will be sent to you. Unless otherwise stated these workshops are £50 if you are working for a commercial or government organisation. Recorders, students and people working for charitable NGO pay £25. Please ask at ERCCIS if you are unsure.
